Dear [NAME OF TD, Member of European Parliament, elected representative],

Subject: Justice at COP28

I am writing to you as a constituent of [your country or EU constituency] because I am concerned about the effect climate change is having on the world's most vulnerable people.

You will be aware of the importance of the upcoming COP28 in Dubai, which starts on the 30th of November. This conference will be pivotal in delivering climate finance, ensuring food security and transitioning to renewable energy.

Climate change is having a devastating impact on our food systems, especially in the Global South. Extreme weather events are becoming more common and severe, making it difficult to grow food. Leaders must commit to providing climate finance for mitigation, adaptation, and loss and damage to those most vulnerable to climate change.

The European Union has significant influence and potential to lead the way on climate justice policies. But we need to see the European Commission's commitment to responding to the climate emergency globally and at COP28.

This is particularly important in the lead up to EU elections next year and ensuring that the EU Green Deal is fully implemented and even expanded in this parliament and the next.

Ahead of COP28, I urge you to ensure that the EU and our own government:

- ***Urges that the $100 billion a year promised in climate finance is prioritised and achieved quickly*** to support vulnerable countries to the climate emergency.

- ***Ensures a Loss and Damage Finance Facility is established at COP28,*** *accessible to all countries* and generously funded.

- ***Make sure that the EU Sustainable Food Systems Law is ready by the end of the current Commission's mandate*** to demonstrate at COP28 our commitment to fully implementing the EU Green Deal.

- ***Prioritises a fast and fair transition to renewable energy***, including the end of all new fossil fuel projects.

We must act now to protect our planet and those most vulnerable to climate change.

Thank you for your time and consideration.

Sincerely, [Your name]
